REPORT TO THE COMMITTEE ON PUBLIC SERVICES AND SAFETY  
SENIOR CITIZENS HOUSING PROJECT AT 928 45TH STREET

On August 19, 1986, the City Council revoked the Conditional Use Permit for the operation of a senior citizens housing project at 428 45th Street and directed the City Attorney to take appropriate legal action. Currently, the Code Enforcement Unit is attempting to negotiate a settlement in this case with the owner, Mr. Richard Stair and his attorneys. We hope to bring a proposal before the Council within the next 30 days. If you have any more specific questions, I would be happy to answer them.

Respectfully submitted,

JOHN W. WITT

City Attorney
